

Notice of Initial Stakeholder Meeting of GS Accreditation of Inner Mongolia Energy Erlianhot Wind Farm Project

The developer of the Inner Mongolia Energy Erlianhot Wind Farm Project, Inner Mongolia Energy Investment Co., Ltd. is going to hold a stakeholder meeting for the Gold Standard accreditation of the project on 8 May 2008.

Stakeholders, including individuals, communities and organisations which may be impacted by the project, including local residents, government offices, environment protection agencies and non-government organizations (NGOs), are invited to attend the meeting and give comments on the project.

During the meeting, an introduction to the progress of the project and the Gold Standard Sustainable Development indicators will be presented to all the stakeholders and the meeting will serve as a platform of open discussion.

The Project, which is located in Erlianhot City, Inner Mongolia, has a total capacity of 49.5MW. The expected net supplied power to the grid is 117,076MWh per year.

Time of the meeting:

9:30-11:30am, 8th May 2008

Venue:

Yindu Hotel, Erlianhot County, Inner Mongolia
