

Notice of Stakeholder Meeting for Retroactive Gold Standard Accreditation of the Hebei Chengde Songshan Windfarm Project

The developer for the Hebei Chengde Songshan Windfarm Project, Hebei Hong-Song Wind Power Share Holding Ltd., is going to hold a stakeholder meeting for the retroactive Gold Standard accreditation of the project on 18 April 2008.

Stakeholders, including individuals, communities and organisations which may be impacted by the project, including local residents, government offices, environment protection agencies and non-government organizations (NGOs), are invited to attend the meeting and give comments on the project.

During the meeting, an introduction to the progress of the project and the retroactive Gold Standard accreditation process will be presented to all the stakeholders and the meeting will serve as a platform of open discussion.

The Project, which is located in Weichang County, Chengde City, has a total capacity of 49.5MW with an average annual electricity output of 103,000 MWh. The Project achieved full generation in December 2006 and it was registered as Clean Development Mechanism project on 8th April 2007.

Time of the meeting: 9:30-11:30am, 18th April 2008

Venue: Weichang Hotel, Weichang County, Chengde City
